CREATORS OF EMOTIONS

— CREATORS OF EMOTIONS —

One of our most precious gems is set amidst the Gandosso hills, in a place where man's work and nature as well as colours and fragrances fuse together in harmony.

UNMISTAKABLE HOSPITALITY AND STYLE

Emotions and nature

The bright and welcoming main dining room is the perfect setting to celebrate the most beautiful day in your life. The terraces and their gardens, built on top of ancient traditional walls, strike the eye of the beholder with their unique beauty.

Each detail is tailored to your special needs, to give voice to your dreams. Every arrangement will ensure that you live the magic of your perfect wedding day in a place where time seems to have stopped.
